raising the bar of excellence within our profession

Since its inception in 2004, the purpose of Makeup Artists of Atlanta has been to create camaraderie between the Makeup Artists serving the Atlanta area; to provide a social gathering where these makeup artists can come together and share ideas; provide a referral list of artists online so that each of the members can easily send referrals back to each other; and to raise the bar of excellence within our profession by offering continuing education.

Our quarterly socials are for Members Only. The purpose of this social is for our members to meet, network, and share ideas. Always on a Sunday evening from 4:30pm until 7:30pm once per quarter. This is an awesome networking and learning opportunity. Tickets are only \$10 when purchased online (see your weekly newsletter for link to purchase your ticket) or \$15 if paid at the door. At each Makeup Artists Social - we have three guest speakers who will be speaking on various topics beneficial to your career as a freelance makeup artist. Visit our guest speaker page to view a small sampling of some of our previous guest speakers. We also have a featured artist at each Makeup Artists Social that provides a 30 minute makeup demonstration, sharing makeup tips and product information.
